WAREHOUSE LOGISTIC COORDINATOR
DUBAI, UNITED ARAB EMIRATES
+971505014049 | bala312252@gmail.com

Objective

Results-driven Logistics Coordinator with 6+ years of experience optimizing warehouse operations, managing international shipping, and improving inventory accuracy across FMCG and retail sectors.

ILG EMEA DWC LLC & SWISS WATCH GROUP

14/11/2024 – Till now

Warehouse Logistics Coordinator

- Work closely with warehouse, procurement, and sales teams to ensure smooth supply chain operations
- Coordinate and plan transportation of goods to ensure on-time delivery to customers or branches.
- Manage receiving and dispatching of shipments, ensuring accuracy in quantity and documentation.
- Monitor stock levels, perform regular inventory check and update records in the warehouse management system.
- Prepare and verify shipping, customs, and clearance documents such as invoices, packing list and bills of lading.
- Communicate with transporters, freight forwarders, and suppliers to arrange shipments and resolve issues.
- Ensure all imports and exports comply with local and international regulations.
- Track shipments in transit, update delivery status, and prepare daily or weekly logistics reports.
- Address shipment delays, damages, or discrepancies quickly to minimize operational impact.
- Identify cost-effective transportation and storage solutions to reduce logistics expenses.

Pharmalink & Medicina Drug store

14/11/2021 - 07/11/2024

Warehouse Coordinator

- Oversee warehouse operations receiving, storage, picking, packing, and dispatch activities for smooth workflow.
- Supervise and guide warehouse staff, ensuring adherence to standard operating SOP and productivity targets.
- Plan and coordinate logistics activities like transportation scheduling and shipment tracking to meet the deadlines.
- Maintain accurate inventory records through regular cycle counts, stock reconciliations, and system updates.
- Ensure compliance with safety, quality, and company policies, promoting a culture of continuous improvement.
- Monitor warehouse space utilization and optimize layout for efficient material handling and storage.
- Coordinate with suppliers, transporters, and internal departments to ensure timely movement of goods.
- Analyse logistics performance data to identify cost-saving opportunities and improve operational efficiency.
- Handle documentation and reporting, including shipment logs, delivery notes, and KPI reports.
- Resolve operational issues proactively, maintaining smooth end-to-end warehouse and logistics processes

ADNH Compass Catering

05/12/2018 - 03/10/2021
