ABOUT ME

Proactive and performance-oriented individual with over 10 years of extensive experience as a Blasting Painting Foreman and worker. Demonstrated ability to effectively manage and supervise painting and blasting operations while ensuring adherence to safety standards and project timelines. Proficient in coordinating resources, optimizing workflow, and resolving on-site challenges to achieve project objectives efficiently. Skilled in training and leading teams to deliver high-quality results within demanding work environments. Seeking a suitable position where I can leverage my expertise to contribute to the success of a dynamic team and organization.

DUTIES & RESPONSIBILITIES

Blasting & Painting Foreman / Worker

- Supervised surface preparation and coating application for vessels including Koc vessels, Kuwait Coast Guard vessels, US Army vessels, and yachts, ensuring adherence to project specifications
- Manage day-to-day field operations related to surface preparation and coatings application, including planning work activities, creating daily work schedules, assigning individual tasks, and ensuring adherence to quality workmanship standards.
- Oversee company and customer assets, including personnel, during on-site blasting and painting operations.
- Perform quality assurance/quality control (QA/QC) functions in blasting and painting areas to ensure high-quality work.
- Conduct pre-job meetings, actively participate in safety meetings, and lead safety discussions to maintain a safe working environment.
- Prepare, analyze, and make necessary modifications to Job Safety and Environmental Analysis (JSEA) documents.
- Assist in or direct complete job loadouts, ensuring all necessary equipment and materials are available and properly utilized.
- Provide mentorship and on-the-job training to personnel, facilitating their professional development.
- Interpret and communicate safety policies and procedures, coating specifications, scopes of work, and project schedules to the crew, ensuring alignment with project goals and expectations.
- Enforce good housekeeping practices throughout the entire project area, both inside and outside the vessels.

Finished Storekeeper

- Keep accurate recordings of all incoming and outgoing goods.
- Assist and support Team Members, Managers and the wider Food and Beverage Department in a team environment.
- Place orders through online procurement system.
- Identify slow moving items to avoid over purchasing.
- Maintain exclusive control over central stores of the hotel with respect to issue releases, control over deliveries and hotel stock counts.
- Offer excellent customer service to customers and Guests.
- Adhere to all Health and Safety procedures particularly relating to food and beverage items
