## EXECUTIVE SUMMARY

A highly motivated and detail-oriented Logistics and Operations Coordinator with 3+ years of experience in managing ocean imports, sales coordination, and supply chain planning. Skilled in streamlining operations, negotiating freight rates, international freight forwarding and enhancing profitability through consolidation strategies. Proficient in CargoWise, inventory management, and invoicing with a strong focus on accuracy and compliance. Adept at cross-functional collaboration, problem-solving, and maintaining customer satisfaction. Eager to apply expertise in logistics coordination and supply chain management to drive efficiency and optimize business processes.

## EXPERIENCE

### **Coordinator- Ocean imports coordination, Sales, planning & imports operation at Expolanka Freight (Pvt) Ltd. (July 2021-July 2024)**

- **Customer Engagement and Sales Growth:** Increased sales by 15% through active client engagement, preparing and delivering accurate quotations, and supporting sales teams with follow-ups to close deals effectively.
- **Global Customer Relationship Management:** Collaborated with customers across Africa, Europe, the Indian Subcontinent, Latin America, the Middle East, North America, and Southeast Asia, demonstrating adaptability to diverse cultural dynamics for seamless communication and tailored service delivery.
- **Service Excellence:** Delivered daily status reports to over 15 major clients, enhancing transparency and strengthening client satisfaction. Led operational meetings with key clients to improve service levels and reduce shipment clearance times by 30%.
- **Cost Optimization:** Negotiated competitive rates with local co-loaders and liners, achieving 10-12% savings on shipping costs, and implemented container consolidations that increased utilization by 20%, boosting profitability.
- **Process Management:** Managed and coordinated over 1,000 import shipments annually, ensuring timely execution of direct imports and cross-country shipments with a focus on service quality.
- **Technical Proficiency:** Utilized CargoWise software to process bookings, ensuring 100% compliance with submission deadlines for manifests and invoices.
- **Billing and Discrepancy Resolution:** Generated invoices amounting to \$1.8 million per year with a 98% accuracy rate and resolved discrepancies exceeding \$50,000 by verifying agent debit notes against agreed quotations.
- **Cross-Functional Collaboration:** Partnered with sales and operations teams to streamline workflows and deliver consistent, high-quality service tailored to client needs.
