ASPIRING MBA | LOGISTICS & SUPPLY CHAIN ENTHUSIAST

PROFILE

A motivated and detail-oriented individual with a strong foundation in business administration, accounting, and digital marketing. With hands-on experience in store management, stock maintenance, and cargo operations, I bring a practical understanding of both back-office and logistics workflows. Proficient in accounting software, Microsoft Office, e-way bill processes, and digital tools, I combine analytical thinking with excellent communication and teamwork skills. Passionate about continuous learning and professional growth, I am eager to contribute value to dynamic business environments through my adaptability, leadership potential, and a strong commitment to excellence.

SKILLS

- | | | |
|-----------------------------|------------------------|----------------------|
| • Inventory Management | • Stock Reconciliation | • Order Processing |
| • Warehouse Operations | • Procurement Support | • Shipment Tracking |

WORK EXPERIENCE

Accounts and Store Keeping | Essential Trading Kannur | 1 Year

- Assisted in day-to-day accounting tasks, including ledger maintenance, invoice processing, and reconciliation of financial statements under the supervision of senior accountants.
- Maintained accurate records of incoming and outgoing stock, monitored inventory levels, and ensured timely replenishment to avoid stockouts.
- Gained hands-on experience with accounting and inventory management software including Trade Easy and Vyapar, contributing to improved data accuracy and reporting efficiency.
- Coordinated with vendors and internal departments to manage purchase orders, delivery schedules, and payment follow-ups.
- Performed regular stock audits and implemented effective stock control measures, reducing discrepancies and improving inventory accuracy.

Internship | Cargo Service Center at Cochin International Airport | 3 Month

- Assisted in daily cargo handling operations, including documentation, sorting, and movement of inbound and outbound freight.
- Gained hands-on experience with air cargo procedures, warehouse coordination, and security compliance standards at an international airport setting.
- Prepared airway bills, cargo manifests, and shipment tracking for both domestic and international consignments.
