Experience

Tender Process Expert - 27/02/2023 to 02/08/2024
A. P. Moller Maersk, Mumbai.

- Own Tender accounts and have in-depth knowledge of the accounts handled.
- Deliver timely and accurate outputs to key stakeholders/customers.
- Reduce disputes across the board (Rate related, DnD, and payer/terms).
- Identify trends and work with teams to improve customer experience.
- Check all the updates for the Tender Process and action accordingly for smooth delivery.

Senior Operations Executive & Operations Executive - 21/09/2020 to 20/02/2023
Inchcape Shipping Services, Mumbai.

- Check with clients on quarterly reports for improvements, service complaints, and cost-related issues. Check with agents for cost changes and daily updates, keeping the team informed.
- Handle escalations, emergency services, and complaints from clients and agents.
- Handle day-to-day operations with clients and local agents, including crew change requests, husbandry services, cash to master requests, and spares-related requests.
- Solve client queries on quotations/services. Chase clients for advance payment settlements (prefunding).
- Check with local offices for final cost estimates and provide them to clients.

Executive - Tracking Assistant - 25/05/2019 to 02/03/2020
CMA CGM SSC, Mumbai.

- Create vessel schedules daily, amend vessel schedules, and update vessel information.
- Update UCRs as per customer instructions in terminal websites (CNS and Destin8). Check and audit all containers for customs clearance.
- Chase customers and agencies regarding uncleared containers. Notify customers and agents regarding customs clearance status.
- Ensure proper containers are linked in the terminal system as per booking.

Education

- Master of Commerce: **Advanced Accountancy** – 2022, Mumbai University.
- Bachelor of Commerce: **Accountancy** – 2019, Mumbai University.

Achievements & Awards

Going Extra Mile Award - Have received the Going Extra Mile award for the month of December 2023 at **Maersk** for Prompt and positive response while handling the tender as well as grasping the tender knowledge quickly.
